

### **How does it work?**

- Have your medical, licence and logbook available for review. If your in-command experience is not current, we may need to arrange a check ride with a flight or class rating instructor.

### **What is covered?**

- Discussion of flying experience.
- Weather and flight briefing facilities.
- Aircraft key locations.
- Flying order book.
- Check 'A' familiarisation on type.
- Aircraft 'tech log' completion.
- Recent changes to regulations.
- Cold and auxiliary power starting.
- Refuelling procedure.
- Aerodrome circuit procedure at Goodwood.
- Use of radios specific to aircraft.
- AFISO R/T.
- Local airspace restrictions.
- Emergencies.
- Any requested flight exercises.
- Aircraft parking in front of the hangar / tie down.
